*Can't make it to Richmond, Virginia? No problem.* With DoveBid's proprietary Webcast technology bidders around the world can bid at this auction from the convenience of their home or office through the Internet. Webcast technology allows you to virtually bid against bidders who are on the factory floor.

Log on to [www.dovebid.com](http://www.dovebid.com) and register even on auction day to bid in real time! All you need is a computer, Internet access, and a touch-tone telephone to participate.

Prior to the auction, preview the assets online via digital photos and comprehensive descriptions. During the auction, view the current asset being sold on your computer screen as you listen to the Auctioneer live on your telephone. You press 1

**DOVEBID®**  
**WEBCAST**  
on the telephone keypad to raise your paddle and press the # key to end your bid. And as a courtesy to our

Web buyers, DoveBid can provide contact information for shipping companies that will be attending the auction. Thousands of bidders from hundreds of locations around the globe have participated in DoveBid Webcast Auctions. It's fast, simple and convenient! Save money on travel expenses and next time we will see you ONLINE!

México D.F., México

### Proxy Bids

*Can't make it to Mexico City? No problem.* DoveBid can bid for you.

How to place a proxy bid:

- Go to the PROCTER & GAMBLE - Wella Division #2 auction detail page at [www.dovebid.com](http://www.dovebid.com).
- To place a proxy bid, click on the equipment catalog from the auction's detail page and select the asset on which you want to bid.
- On the bottom center of the page there is a yellow box. If the auction is currently accepting proxy bids, you will have the option to enter a price and quantity. NOTE: there is a \$200 minimum bid for each lot. Proxy bids are not accepted within 19 hours of the start of an auction.

Great Reasons to Buy at DoveBid Auctions

- **Save money** on purchasing used equipment rather than new equipment
- **Save time** on waiting for new equipment to arrive by buying used equipment today!
- **Convenience** – with DoveBid Webcast or Online auctions, you do not need to attend the auction to participate – you can participate online with our Webcast technology
- **One stop shopping** – with DoveBid, buyers have access to a full range of assets at each auction.
